## Uptown Intreccio

Bacchettine e rombi macro ricamati con filato metallico satinato sono i due motivi protagonisti di questa collezione.

Quilt in raso di cotone ricamato all over con motivo di rombi giganti si coordina al lenzuolo con bacchettina sovrapposta. Tutto in raso di cotone.

*Cross embroidered bourdons and large rhombuses in metallic yarns represent the main characters of this collection.*

*All-over embroidered quilted bedspread in cotton sateen with large rhombus patterns, to be coordinated with its bourdon embroidered sheet-set. All in cotton sateen.*
